## TRIP REQUEST FORM- WHIZZY

Please write numbers 1-7 in the boxes provided, 1 being the trip you would like your child to go on most, 7 being the trip you are least interested in. Please note that we are always heavily over-subscribed for trips. On group trips everyone will be attending the trip, but on small trips the playscheme will be running as normal and a maximum of 8 children will be going out on a trip that day. Therefore we cannot guarantee your child will secure a place on any trip, but we will endeavour to ensure your child is booked onto at least one trip.

Please also find enclosed an information leaflet with details of all the destinations we will be going to so you can make an informed decision.

Please also note that on every trip, every child will have a one to one carer assigned to them for the duration of that day.
